It was a long term desire and effort to reach – TERRY greatly collaborated to its development and success.....

.....what we never forget and acknowledge every day having spent together

.....and surrounded by some of his closest friends

**TERRY started as chief editor our first official newsletter
and gave it format and appearance**

TERRY was always with us and will it always be

**Terry always was much and more than welcome to all of his friends –

Open Day. This was the first time that Arco opened its doors to the public

The Mayoress of Tabernas, Doña Maria Nieves Jaen Franco opened the day officially and inaugurated Arco Nucleo as **Centro de Interpretación de Anfibios y Reptiles de la Provincia de Almería**. Her presence and enthusiasm was hugely appreciated. **Terry and many of his friends helped to make it possible!!!**

It was the idea of **Terry** following with the realisation of a beneficial concert helping ARCO-Spain to develop roots and seeing blossoms

...with an extremely great organized and performed Evening Event at Antonio's LAS ERAS

Our evening of entertainment followed commencing at 8 p.m. with dinner at the restaurant of Antonio Gazquez Expósito "Las Eras". Course after course of delicious food was served, during which music was provided by **TERRY GILDERT**, Andy & Nadine Highfield, Pete Thom and Denis & Clive of Flashback.

The musicians had provided the great entertainment without payment for which we are extremely grateful to all of them but was **TERRY** who organized and highlighted this special evening

Terry we all miss you – as great friend, excellent singer and musician with an almost never ending inspiring humor, seriousness in the work and planning, collaboration as indefatigable volunteer, motivating motor and promotor, organizer, trustee and chief editor.....
